

The **DIVERSIFIED PROFESSIONAL COACHING, LLC (DPC) Speakers Bureau Services** consist of many expert speakers who can provide interesting perspectives to groups of all sizes as keynote, breakout, or large/ small group presentations. These speakers are experts in their respective fields and can talk extensively on a specific topic or industry. They have experience in many different fields including professional sports, business, government, military, and education. Their experiences are numerous and appropriate for giving a worldwide view from varying perspectives – just what is needed to make your event interesting.

### **Program Description**

The DPC Speakers Bureau Services speakers are experts from business, government, sports, coaching, and/or education to speak on those topics that are relevant for keynotes, breakout sessions, or large/small group presentations. The expertise of these professionals allows for unique ways to deliver valuable information to the audience. These services are adaptable to the specific event based on the needs of the customer.

### **Speakers Bureau Services Options**

**Keynote** - Professional speakers are available to assist you to emphasize the theme of meetings whether as opening, closing, or platform speaking opportunities.

**Breakout** - Professional speakers can enhance breakout sessions by customizing their presentations to groups that require more interactive opportunities.

**Groups** - Professional speakers are available to assist a variety of speaking needs such as for specific groups, from small to large, that may have unique needs. The speaker will work with you to develop the kind of group presentation that satisfies the needs of the group.

### **Benefits of the Program**

Facilitated by Diversified Professional Coaching (DPC), professional business coaches who hold the Certified Professional Business Coach (CPBC) designation, as a minimum, these experts are experienced in various aspects of business and government and are trained to meet the many requirements for speakers. As members of DPC, they are part of a community of Think Tank Professionals, SMEs, Master Business Coaches, other professional business coaches, professionals from the financial services industry, other businesses, business executives, government, sports, and education. This allows for flexibility and many resources to meet the need for speakers.

As you define what is necessary for you to reach the next level of success in your business, your DPC professional is ready to help you get there based on what is important to you.
