

Program Description

The Leadership Effectiveness Evaluation is a 100-question tool to measure leadership abilities. The follow-up assessment and coaching will provide a clear path from where you are now at to where you wish to be.

Your DPC coach will use this high-level tool to evaluate your strengths and weaknesses to better define and further develop communication skills, decision-making, self-awareness, social intelligence and other areas critical to effective leadership of well-functioning teams.

Coaching Options

Individual Assessment and Coaching options are available from one-day tests and assessments to testing followed by weekly or monthly in-depth planning sessions.

Group Assessment and Coaching options are also available that vary in time and cost from one-day onsite or virtual events to six-month leadership development packages.

Benefits of the Program

Whether you are a new or seasoned leader, this program will help you become very honest with yourself to determine reasonable goals and the steps to achieve them while supported by your team.

DPC professional leadership coaches are Certified Professional Business Coach (CPBC) certified. They are accomplished leaders of financial service industries, government organizations, sports teams, universities and other businesses. This allows coaching flexibility and a huge variety of resources to meet the needs of your leaders and teams

As you define what is necessary to reach the next level of leadership success, your DPC coach will be ready to help you get there based on what is important to you and the members of your team. .

WHO
