

CPBL

Certified Professional
Business Leader Program

Step Up Your Leadership Game – Become CPBL Certified!

Certified Professional Business Leader (CPBL) Curriculum

You will be “Certified to Lead, Destined to Succeed” as you navigate through the CPBL courses emphasizing practical application of academic knowledge.

There are three required courses in our CPBL Program which address top contemporary leadership challenges worldwide.

CPBL 401 Leadership -

Investigates leadership excellence traits necessary for success. Applicable application of leadership theories as leaders develop effective organizations with appropriate systems and processes.

CPBL 402 Strategy -

Explores the strategies necessary to meet the ever-changing needs of dynamic organizations. These strategies include business, communication, and growth plans that cause leaders to be competitive in today’s challenging environments.

CPBL 403 Leadershift –

Navigating crises and changes are fundamentals for these courses. Creative solutions and application of a Business Transformation Plan are key components ensuring that the leader and organization receive valuable results from the overall courses.
